

Your favorite employee recognition platform and swag provider all-in-one

Offering company swag in your Bonusly Reward Catalog is simple with our AXOMO integration.

Swag for all!

When you integrate Bonusly with AXOMO, not only will you be able to reward your employees with swag, you can send customer gifts, make new hire welcomes warmer, outfit your whole team, and more. Never track swag numbers in a spreadsheet again thanks to AXOMO's live inventory counts. With full access to AXOMO's catalog, you'll have thousands of options to choose from so you can swag the way you want.

Boost your employer brand with irresistible gear

Let them choose it so they use it! With AXOMO's extensive swag options, you can offer an array of stylish, high-quality swag rewards right in your Bonusly Reward Catalog. With our native integration, employees can easily and directly redeem their Bonusly points for company swag.

Stop ordering and storing swag

Farewell, excess! Hello, sustainability! In addition to handling on-demand production and domestic and international shipping, AXOMO can warehouse pre-made inventory for you.

The future of swag is here

Gone are the days of waiting on proofs, limited selection, and incorrect colors and logos. You can build on-demand swag easily in AXOMO and see proofs in real time. Create the swag you want, when you want it without compromising brand consistency. If you need help, you'll have access to an AXOMO success representative in addition to your Bonusly rep.

With Bonusly + AXOMO you get:

- ✓ Seamless integration between your swag catalog and Bonusly Reward Catalog
